

## FreedomWorks Anti-Earmark Pledge

“Earmarking,” the practice by which members of Congress divert taxpayer funding to special projects outside of the normal competitive and merit-based review process, has grown out of control and is open to waste and abuse.

THEREFORE, I, , in my capacity as SENATOR (congressman/senator/president), do hereby pledge that I will personally support spending reform in Congress by refusing to seek, support, or enact earmarks during the appropriations process for fiscal year 2009.
