

EARMARK PLEDGE

EARMARKING: *The practice by which members of Congress divert taxpayer funding to special projects outside of the normal oversight and authorization process, has grown out of control and is open to waste and abuse.*

THEREFORE, I, John Shadegg, in my capacity as Congressman (congressman/senator/president), do hereby pledge that I will personally support spending reform in Congress by refusing to seek support or enact earmarks during the appropriations process for fiscal year 2009.
